

# University & College Questions??

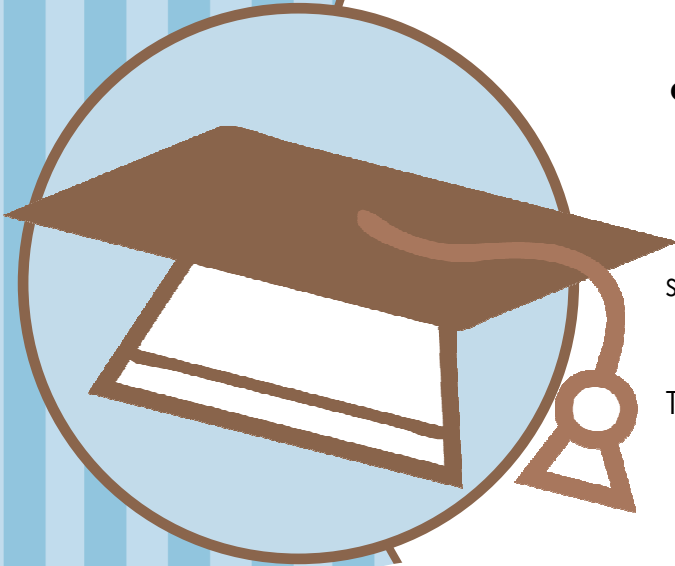

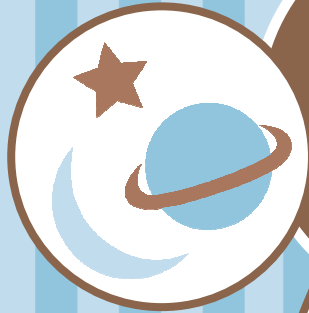

## Career Guidance

Are you in **grade 12** and planning to **apply to University or College**, but have no idea what you are doing??

If you don't know what program you want to apply to, or need advice about which school will benefit your future best, then this is for you.

This program will help you by setting you up with someone who has gone through with it and will help you understand the whole process.

You can email us, and we will get you that first appointment.
